WHY CHOOSE CQU?

FIVE-STAR INCLUSIVENESS

We're committed to providing quality education to everyone and proud to be rated five stars for social equity and first-generation student ratio.*

OUTSTANDING EMPLOYMENT OUTCOMES

Our students graduate with job-ready skills, which sees us ranked in the top five Australian universities for undergraduate starting salaries.*

AUSTRALIA'S FIRST CHANGEMAKER CAMPUS

We are recognised as Australia's first and only Changemaker Campus by global social innovation group Ashoka U.

INDUSTRY RELEVANCE

Courses are designed alongside industry to prepare you with up-to-date, real-world knowledge and skills.

*The Good Universities Guide 2022.

HOW TO USE THIS GUIDE

Use this guide to find out more about commencing university-level study whilst completing senior high school. Start your planning by using the directory from page 10 to find a course that interests you, and to check when the units for your course are available to study.

If you're unsure what course you want to study, want to explore your career options, or need to check entry requirements such as prerequisite study, visit cqu.edu.au/courses.

INTERESTED IN A TAFE COURSE?

CQUniversity also provides an exciting program to get you started on TAFE whilst you're still at high school. Find out more about Start Tafe Now, our in-school TAFE program. Visit www.cqu.edu.au/stn.

CQUniversity recognises and acknowledges the important role First Nations people make to our communities and values Indigenous knowledge systems as an integral part of our teachings.

START UNI NOW

Start Uni Now (SUN) is a CQUniversity initiative that gives you the opportunity to study university-level units while in Years 10, 11 and 12 at high school (Year 10 students are eligible for Term 3 enrolment only). SUN allows you to enrol in a range of CQUniversity units and after successfully completing study in SUN you may be eligible for direct entry into your course and credit towards your degree. You can be confident knowing you have a pathway to university that is not just reliant on your ATAR score, which you can combine with your regular high school work.

IS SUN FOR YOU?

- » Do you want to get a head start with study and your future career?
- » Do you want to further challenge yourself in your final years of high school?
- » Are you a high achieving student?
- » Are you self-motivated and can manage your own time effectively?

If so, SUN could be for you.

HOW MUCH DOES SUN COST?

Your first unit in the SUN program is free. As a domestic student, subsequent units (up to an additional three units) are offered at a significantly discounted rate of \$375 per unit*.

In addition to the unit cost, there may be other expenses such as textbooks and resources. Fees must be paid up-front and cannot be deferred to HECS-HELP, but you may be eligible for financial assistance options.

As a SUN student you can potentially save thousands of dollars and minimise any future HECS-HELP debt.

* SUN Aviation units are double credit units (12 credits) and will therefore incur a fee of \$750.

WHAT ARE THE BENEFITS OF SUN?

SNEAK PEEK

SUN provides you with an insight into university life and helps you understand the expectations of studying at a tertiary level. This will help prepare you for the transition from high school to university.

DIRECT ENTRY

After successful completion of SUN, you may be eligible to apply for direct entry into an undergraduate degree at CQUniversity (excluding quota managed courses[†]). This means you will not need to apply and wait for an offer through a tertiary admissions centre, such as Universities Admissions Centre (UAC), Queensland Tertiary Admissions Centre (QTAC) and Victorian Tertiary Admissions Centre (VTAC). To be eligible for direct entry, you must:

- » pass at least one SUN unit from the undergraduate degree you are applying for
- » meet any additional requirements of the undergraduate degree you are applying for
- » show evidence of successful completion of Year 12 studies.

[†] A quota managed course has a set limit on the number of students who may be admitted in any academic year. As a result some courses are not available for direct entry. Quota managed courses that are not eligible for direct entry include Bachelor of Medical Science (Pathway to Medicine), Bachelor of Medical Sonography and Graduate Diploma of Medical Sonography, Bachelor of Echocardiography (Cardiac Physiology) / Graduate Diploma of Echocardiography, Bachelor of Oral Health, Bachelor of Medical Imaging and Bachelor of Physiotherapy (Honours).

CREDIT TRANSFERS[‡]

If you enrol as a CQUniversity student after Year 12, you may be eligible to receive a credit transfer for each SUN unit you have passed. Provided these SUN units are part of your degree at the time of your undergraduate admission, a credit transfer would count towards your degree. This will reduce the number of units you need to study when you start university and may reduce the duration of your university course.

MEET TERTIARY ENTRY REQUIREMENTS[¶]

SUN can also provide a valuable pathway for students who need to meet prerequisite subject requirements to gain entry into university. Depending on the degree you wish to apply for, studying SUN units may allow you to meet English, science and maths entry requirements for courses at CQUniversity.

WHERE CAN I STUDY SUN?

SUN units can be studied either on campus or online, which means you can choose a way of studying that suits you best, regardless of where you live.

Studying online is the most popular mode of study chosen by SUN students as it provides you with the flexibility to fit university study around your current school timetable. As a SUN student, you will require regular access to the internet and a reliable computer.

If you would prefer to study on campus, contact the Schools Engagement team by visiting cqu.edu.au/sun.

RESIDENTIAL SCHOOLS

Some online units may require compulsory residential school attendance. Residential schools require you to attend a designated campus for up to five days to undertake practical components of your study.

To find out details of residential school attendance visit www.cqu.edu.au/timetables.

WHAT LEVEL OF COMMITMENT IS INVOLVED?

It is recommended that you dedicate between 10 – 12 hours of study to each of your enrolled units per week (over a 12 – 14 week period). Studying SUN units requires good time management skills, the ability to work independently and a proactive attitude. University study is very flexible and this allows you to work your study time around other commitments such as a part-time job or sport.

You can study your SUN units after school and on weekends. You may also choose to study a SUN unit as your sixth subject choice at school. You should speak with your school Guidance Officer or Principal to discuss the best way for you to manage your study commitments.

Successful applicants may study up to one SUN unit per term, however you'll have the opportunity to study up to four SUN units in total over the senior school period (pending unit availability).

‡ Credit transfers towards courses at other universities should be discussed with the relevant university.

^ Students intending to utilise SUN units in order to meet tertiary pre-requisites should discuss with the Schools Engagement Team and/or relevant university prior to enrolment.

WHAT SUPPORT DO I RECEIVE AS A SUN STUDENT?

Regardless of whether you study on campus or online, you have access to many of the same resources and support services as other CQUniversity students.

SCHOOLS ENGAGEMENT TEAM

A dedicated team to support you throughout your SUN study journey.

ACADEMIC LEARNING CENTRE (ALC)

The ALC is a 'one-stop-shop' for information, advice and resources related to academic writing, mathematics, science and computing requirements of study at CQUniversity.

STUDENTS DIRECTORATE

There are a range of support services available to students including both academic and personal counselling, study skills and time management advice. Students with a disability, illness or medical condition are also encouraged to connect with our Student Accessibility and Equity team to review support needs.

CAMPUS SUPPORT

Students located close to a CQUniversity location are also able to access facilities such as campus libraries and computer labs.

AM I ELIGIBLE TO APPLY FOR SUN?

To be eligible to apply for SUN you must be:

- » enrolled in Year 11 or 12 (Year 10 students are eligible for Term 3 enrolment only)
- » achieving an average 'B' grade (or better) across all school subjects (as per your most recent report card)
- » B grade in ATAR-level English is desirable

You will also require permission from your Principal or school nominee and a parent or guardian.

HOW TO APPLY

To apply for entry into SUN visit www.cqu.edu.au/sun and review the *How to Apply* section.

You must submit a copy of your most recent school report card with the SUN application, as well as gain parental/guardian and school approval.

Applications must be received at least three weeks prior to the commencement of the relevant term.

If you are an international student studying at a high school in your home country or in Australia, please visit www.cqu.edu.au/int-sun for more information regarding the application process and eligibility requirements. Find out more about studying SUN as an international student on page 8.

HOW DO I CHOOSE A SUN UNIT?

SUN offers first year university units from almost every CQUniversity bachelor degree.

When selecting the unit you wish to apply for it is important to consider the following questions:

- » What career are you interested in pursuing?
- » What course is required to pursue that career?
- » Does the SUN unit form part of the requirements for that course?
- » Is the unit offered in the term you wish to study?
- » Is the unit available on campus, online or both?

DO I RECEIVE CREDIT TOWARDS MY ATAR?

SUN study may credit towards your ATAR in Victoria and South Australia. For further information refer to the SUN Guidelines at www.cqu.edu.au/sun.

DO I RECEIVE CREDIT TOWARDS MY STATE CERTIFICATE OF EDUCATION?

SUN study may provide credit towards your state's respective Certificate of Education. There are currently arrangements in place that provide credit towards the Queensland Certificate of Education (QCE) and some credit toward the Western Australia Certificate of Education (WACE), South Australia Certificate of Education (SACE) and Victorian Certificate of Education (VCE).

There are currently no arrangements in place to provide credit for those students undertaking their Higher School Certificate (HSC NSW), Northern Territory Certificate of Education (NTCE) or Tasmanian Certificate of Education (TCE).

It is strongly encouraged that you and your parent/guardian talk to your nominated schools contact in regards to potential credit options. Students should seek approval for credit prior to their SUN enrolment. For full details refer to the SUN Guidelines at www.cqu.edu.au/sun.

INTERNATIONAL SUN STUDENTS

If you are an international high school student studying in Australia or in your home country, we offer a wide range of courses to suit your individual needs and interests and to help you achieve your future study and career ambitions.

AM I ELIGIBLE TO APPLY FOR SUN?

To be eligible to apply for SUN you must:

- » be enrolled in Australian Curriculum Year 11 or 12 (or equivalent). UK A Level Curriculum, the International Baccalaureate, Polytechnic*, or other equivalent Senior High School* Curriculum
- » be achieving equivalent to an average B grade (or better) across all Australian school subjects as per your most recent report card)⁺
- » achieve an English level of IELTS 5.5 overall with no bands less than 5.5, or equivalent English. We will also accept IGCSE/GSCE Grade C in English Language and International Baccalaureate MYP Certificate Grade 4 in English.

A variation of English language requirements may be considered. A higher English language proficiency may apply for specialist courses. See the following page for details.

For more information, visit www.cqu.edu.au/int-sun.

HOW MUCH DOES SUN COST?

Your first unit in the SUN program is free. As an international student, subsequent units (up to an additional three units) are offered at a significantly discounted rate of A\$500 per unit.

In addition to the unit cost, there may be other expenses such as textbooks and resources. Fees must be paid up-front.

DO I RECEIVE CREDIT TOWARDS MY ATAR? (ONSHORE INTERNATIONAL STUDENTS)

SUN study may provide credit towards your ATAR in Victoria and South Australia. For more details refer to the SUN Guidelines at www.cqu.edu.au/int-sun.

HOW TO APPLY

To apply for entry into SUN visit www.cqu.edu.au/int-sun and review the *How to Apply* section.

You must submit a copy of your most recent school report card with the SUN application, as well as gain both parental/guardian and school approval.

Applications must be received at least three weeks prior to the commencement of the relevant term.

*Delivered in English.

+GSCE minimum C grade in all subjects, International Baccalaureate Middle Years Program Grade 4 in all subjects. Other qualifications are assessed on a case-by-case basis.

COURSES WITH NON-STANDARD ENGLISH LANGUAGE ENTRY REQUIREMENTS

COURSE	ENTRY REQUIREMENTS
Bachelor of Aviation (Commercial Pilot)	Minimum academic IELTS score of 6.0 across all bands and overall.
Bachelor of Education (Early Childhood, Primary and Secondary)	An IELTS (Academic) assessment with an average band score of 7.5 across all four skill areas of listening, speaking, reading and writing – with no score below 7.0 in any of the four skills areas and a score of no less than 8.0 in speaking and listening.
Bachelor of Engineering	Minimum academic IELTS score of 6.0 across all bands and overall.
Bachelor of Exercise and Sport Sciences	Minimum academic IELTS score of 7.0 across all bands and overall.
Bachelor of Medical Laboratory Science (Honours)	Minimum academic IELTS score of 6.0 across all bands and overall or an Occupational English Test (OET) result of A or B.
Bachelor of Medical Science	Minimum academic IELTS score of 6.0 across all bands and overall or an Occupational English Test (OET) result of A or B.
Bachelor of Nursing	Minimum academic IELTS score of 7.0 across all bands and overall.
Bachelor of Occupational Therapy	Minimum academic IELTS score of 7.0 across all bands and overall or an Occupational English Test (OET) result of A or B.
Bachelor of Oral Health	Minimum academic IELTS score of 7.0 across all bands and overall or an Occupational English Test (OET) result of A or B.
Bachelor of Physiotherapy	Minimum academic IELTS score of 7.0 across all bands and overall or an Occupational English Test (OET) result of A or B.
Bachelor of Podiatry Practice (Honours)	Minimum academic IELTS score of 7.0 across all bands and overall or an Occupational English Test (OET) result of A or B.
Bachelor of Science (Chiropractic)	Minimum academic IELTS score of 7.0 across all bands and overall.
Bachelor of Speech Pathology (Honours)	Minimum overall IELTS score of 8.0 across all bands and overall. Or, an Occupational English Test (OET) result of A or B.

For more information visit www.cqu.edu.au/englishreq.
