

School-based Service Industry Traineeships

A School-based Traineeship allows students currently in year 10 or 11, or first term of year 12, the opportunity to receive up-to-date training, increased skills and knowledge and upon competency, a nationally recognised qualification whilst working.

In most cases, School-based Trainees (SBT) can work one school day per week as well as weekends & school holidays. Arrangements are flexible to suit the requirements of the trainee, the workplace & the school. Students must complete a minimum of 50 days paid employment per year, with training/work impacting on the school timetable.
