Dear Parent/ Guardian

The end of schooling is a very exciting time for our seniors and as you will appreciate, it is also a time when we need to be extra vigilant in helping them make sensible and responsible decisions. We trust that by working together we can keep our seniors safe and have an enjoyable end to their schooling.

Please encourage your child to return all library and textbooks before they leave school. If you have any uniforms that your family no longer requires then please consider donating them to the uniform shop. Blazers are a much sought after second hand item so if you would like to sell it please hand it into the College.

On the following page is a program to help you keep track of the events during the last week of school. One of the presentations on Tuesday 14 November is a road safety program run by the Queensland Fire and Rescue Service. They have asked me to advise all parents and students that some of the content in their presentation contains confronting images and emotional issues. If you have concerns about the content please contact the College.

Yours sincerely,

Karen Board
Senior Pastoral Coordinator
